## **REFERRALS PROCESS**

---

**Your CHC health care provider has determined that you are in need of health care service that is currently not available as a direct service at Choctaw Health Center.**

1. Your provider has requested approval on a referral for you.
  2. Your referral will be reviewed and determined if approved/not approved by CHC Case Management.
  3. Upon referral approval, CHC Referred Care Coordinator will begin the process of scheduling your appointment with an outside provider. You will be contacted by phone or phone message of your appointment date and time.
  4. It is extremely important to keep an updated phone number to reach you for your appointment.
  5. If you have not been contacted within two weeks about your appointment, you are encouraged to call the Business Office.
  6. After you have been contacted for your appointment, you will need to pick up your referral from the Business Office and take with you to your appointment.
  7. If you are given a follow-up appointment at your visit, please contact the Business Office with a date and time.
