Coronavirus (COVID-19) Information from Choctaw Health Center

The health and well-being of our patients, visitors and employees are our main priority, and we take our responsibility to provide high quality, personalized care to you very seriously.

The Choctaw Health Center (CHC) is prepared for this outbreak. Our providers are trained and equipped to care for patients with complex diseases such as COVID-19. We have comprehensive protocols and resources in place to ensure we are able to provide care with the highest regard to health and safety.

We are actively monitoring the COVID-19 situation, both worldwide and in our local community. We follow and adhere to guidance as provided by the Centers for Disease Control and Prevention (CDC), and work closely with Mississippi State Department of Health (MSDH) and Indian Health Services (IHS) to ensure our preparedness and continued ability to provide care for all patients.

We have taken proactive measures to ensure the safety and security of Choctaw Health Center's campus and clinics for our patients, visitors, and employees. We have enacted **temporary visitor restrictions** at In-Patient Department at CHC, effective March 11, 2020. Due to the national shortage of personal protective equipment (PPE), we are suspending visitor access into until further notice.

We actively monitor CDC, MSDH and IHS information and will update our measures to continue to ensure the safety of our patients, visitors and employees if necessary.
